Affidavit Establishing Exemption Under Florida Statutes § 316.0083(1)(d)

This is a form of affidavit that you may use to establish an exemption from the statutory penalty described in the notice of violation that you have received. Section I contains the instructions for filling out this form. Section II is the form that you must fill out if you choose to use this form of affidavit. Please read the instructions in Section I carefully before filling out Section II or mailing this affidavit. If this affidavit is incomplete, unsworn, does not contain required documentation, or is not received before the due date, it will not be sufficient to establish an exemption under § 316.0083(1)(d) necessary to avoid court fees, costs and the issuance of a Uniform Traffic Citation.

I. Instructions

- (1) Florida Statutes § 316.0083 provides that the registered owner of a motor vehicle found by a traffic infraction detector to have violated Florida Statutes §§ 316.074(1) or 316.075(1)(c)1, relating to adherence to traffic control devices, is responsible for a statutory penalty of \$158.00 unless the owner establishes by affidavit that an exemption applies. The notice of violation you have received explains the statutory exemptions and how to establish them.
- (2) Section II of this document constitutes an affidavit that you may use to assert an exemption. Please fill in all blanks with the information requested. If you do not provide the required information, your affidavit will not be sufficient and will not avoid payment of the penalty.
- (3) If you assert that you are exempt from the statutory penalty because, at the time of the violation described in the notice, the vehicle was in the possession, custody, or control of another person, then you must provide the name, address, date of birth, and, if known, the driver's license number of the person who leased, rented, or otherwise had care, custody, or control of the vehicle at the time of the violation. Section II contains a space for you to do so.
- (4) If you assert that you are exempt from the statutory penalty because, at the time of the violation described in the notice, the vehicle was stolen, then the affidavit must include a copy of a police report showing the vehicle to have been stolen. Please attach the police report to this affidavit.
- (5) If you assert that you are exempt from the statutory penalty because a Uniform Traffic Citation was issued by a law enforcement officer for the violation of Florida Statute § 316.074(1) or 316.075(1)(C)1 stated in the notice, then you must include the serial number of the Uniform Traffic Citation. Section II contains a space for you to do so.
- (6) This affidavit must be sworn to before a notary public or other person authorized to administer oaths. A form for the notary or other person to execute is included at the end of Section II. Please do not return this affidavit without this evidence of its being sworn, as that will not be sufficient and will not avoid payment of the penalty.
- (8) Upon completing this affidavit, please mail it to: City of Bartow, Customer Service Center, P.O. Box 22091, Tempe, AZ 85285-2091; or email it to: Info@ViolationInfo.com, or fax it to: 480-990-4819.
- (9) The statements in this affidavit must be truthful. **The submission of a false affidavit is a misdemeanor of the second degree, punishable under Fla. Stat. § 775.082 or § 775.083 by a term of imprisonment not to exceed sixty (60) days and/or a fine not to exceed \$500.00.**

RE: Notice 5792500044182

Hello,

I am writing this letter to appeal against the recent Citation that I received.

To begin, we have always enjoyed passing in your city heading North or South as we enjoy visiting Florida sites during our 32 years of retirement. It is a much pleasant and less nerve racking than being on the interstate system. As such, I was quite stressed to have received your traffic communication.

I have been an AARP Safe Driving instructor now for over 20years. I am a safe driver as you can see from my Florida Driver's license for some 30 years . I have now been driving for 60 years both domestically and in foreign countries. Never have I received nor been responsible for a crash. My grandson is a Collier County Deputy (detective grade) and agrees with me and is appalled at some of the gross traffic violations that some drivers habitually cause on a very frequent basis. This is not me.

To state my appeal, I supply the following.

1. I was driving within the posted speed of 34 MPH.
2. Baises on the stopping distance chart, this would mean a total stopping distance of 115 ft would be required (including reaction time) to come to a full stop. This chart which I am including a copy of is from Pg 63 of the AARP Smart Driver Guidebook. This manual is endorsed by the FDMV.
3. Based on the video, the car went about a distance of about 1 ½ car lengths from the 4 second time of the first photograph to the 5 sec time of the second photograph. This being the distance from the stop line (at which the light first changed) to the crosswalk, a distance of 30 feet.
4. At the 5 second point, the breaking vehicle (based on item 2 above), would still have (115 – 30) or 85 feet remaining in an effort to come to a complete stop. An additional time of 3.4 sec.
5. Such a distance would be more than 4 car length, or well into the actual intersection. This of course would not be a good position to be in.

On this basis and on my history of being a safe driver and not a habitual traffic violator, I request to be released from the issued traffic notification.

Thank you for your work.

Respectfully yours,

Richard W. Pansh
