If the official concludes that no infraction has been committed, the UTC will be dismissed, and no costs or penalties shall be imposed. If the official concludes an infraction has been committed, the official will uphold the UTC and may impose an additional civil penalty not to exceed \$500.00 and court fees and costs. The exemptions are that the motor vehicle: (a) passed through the intersection in order to yield the right-of-way to an emergency vehicle or as part of a funeral procession; (b) passed through the intersection at the direction of a law enforcement officer; (c) was, at the time of the violation, in the care, custody, or control of another person; or (d) a Uniform Traffic Citation ("UTC") was issued by a law enforcement officer to the driver of the motor vehicle for the violation of Florida Statutes §§ 316.074(1) and 316.075(1)(c)1 stated in this Notice. The affidavit must be sworn before a notary public or other person authorized to administer oaths. If you assert that the vehicle was in the care, custody, or control of another person, you must provide the name, address, date of birth, and, if known, the driver's license number of the person who leased, rented, or otherwise had care, custody, or control of the vehicle at the time of the violation. If the vehicle was stolen, then the affidavit must include a copy of a police report showing the vehicle to have been stolen. If you assert that a UTC was issued by a law enforcement officer for the violation of Florida Statutes §§ 316.074(1) and 316.075(1)(c)1 stated in this Notice, then you must include the serial number of the UTC. For faster processing, you may, but are not required to, include a copy of the UTC.

If your affidavit complies with the requirements of Florida Statute § 316.0083, then no further action will be taken against you. The submission of a false affidavit is a misdemeanor of the second degree, punishable under Florida Statute § 775.082 or § 775.083 by a term of imprisonment not to exceed sixty (60) days and/or a fine not to exceed \$500.00. The affidavit should be mailed to City of Bartow, Traffic Safety Program, Customer Service Center,, PO Box 22091, Tempe, AZ 85285-2091.

Do not send payment or affidavit to the Clerk of the Court.

If you fail to respond as outlined above, postmarked by the due date, a Uniform Traffic Citation ("UTC") will be issued to you. Upon issuance of a UTC, you shall have the remedies specified in Florida Statutes §§ 316.0083 and 318.14, which include (a) the right to pay the civil penalty in the amount of \$264.00; (b) the right to submit an affidavit; or (c) the right to have a hearing before a designated official, who shall determine whether an infraction has been committed. If the official concludes that no infraction has been committed, the UTC will be dismissed, and no costs or penalties shall be imposed. If the official concludes an infraction has been committed, the official will uphold the UTC and may impose an additional civil penalty not to exceed \$500.00 and court fees and costs. Failure to pay, submit an affidavit, or request a hearing on the UTC could result in your driving privileges being suspended.

The exemptions are that the motor vehicle: (a) passed through the intersection in order to yield the right-of-way to an emergency vehicle or as part of a funeral procession; (b) passed through the intersection at the direction of a law enforcement officer; (c) was, at the time of the violation, in the care, custody, or control of another person; or (d) a Uniform Traffic Citation ("UTC") was issued by a law enforcement officer to the driver of the motor vehicle for the violation of Florida Statutes §§ 316.074(1) and 316.075(1)(c)1 stated in this Notice. The affidavit must be sworn before a notary public or other person authorized to administer oaths. If you assert that the vehicle was in the care, custody, or control of another person, you must provide the name, address, date of birth, and, if known, the driver's license number of the person who leased, rented, or otherwise had care, custody, or control of the vehicle at the time of the violation. If the vehicle was stolen, then the affidavit must include a copy of a police report showing the vehicle to have been stolen. The affidavit should be mailed to City of Bartow, Traffic Safety Program, Customer Service Center,, PO Box 22091, Tempe, AZ 85285-2091.

Do not send payment or affidavit to the Clerk of the Court.

If you fail to respond as outlined above, postmarked by the due date, a Uniform Traffic Citation ("UTC") will be issued to you. Upon issuance of a UTC, you shall have the remedies specified in Florida Statutes §§ 316.0083 and 318.14, which include (a) the right to pay the civil penalty in the amount of \$264.00; (b) the right to submit an affidavit; or (c) the right to have a hearing before a designated official, who shall determine whether an infraction has been committed. If the official concludes that no infraction has been committed, the UTC will be dismissed, and no costs or penalties shall be imposed. If the official concludes an infraction has been committed, the official will uphold the UTC and may impose an additional civil penalty not to exceed \$500.00 and court fees and costs. Failure to pay, submit an affidavit, or request a hearing on the UTC could result in your driving privileges being suspended.

Case No.: 5792500040982
Red Light - Notice #

Defendant: Christopher Roden

STATE OF: Florida

AFFIDAVIT

(SWORN STATEMENT)

Date: 11-19-25

My legal name is Christopher Roden ("Affiant"), and I give this affidavit being of legal age and sound competence. My mailing address is: 6322 Ross Creeek Rd, Lakeland, Florida, 33810.

Being duly sworn, I hereby swear under oath that:

On 9-26-2025 at around 9:26am on my way to work at the Lake Wales airport, I accidentally ran a red light camera in Bartow Florida. I drive this exact route to work for 8 years every day for work. I knew when the put the Red light Cameras in and I have a GPS Pursuit Radar Detector that informs me of all Red light Cameras. If you look at my Driver's license record (Lic# R350-116-68-022-0) I have never ran a red light. On that morning I was in the far 2nd left lane approaching the intersection when a maroon Murano small SUV violently cross from the far left lane to the second right lane right in front of me. I took a vase of action to go to the left lane then back to the right lane. I took my eyes off the green light avoided an accident by the Mitsubishi Murano maroon changing lanes and straightened out in the third lane. When my eyes returned to the traffic light it was yellow and then turned red just as I ran it. I had no time to stop. If the Mitsubishi Murano did not change lanes in front of me I would I've had to avoid an accident and would never have ran the light. I remember this clearly and you can see the the above mentioned SUV merge to the second right lane in the video. That shows the end result. I knew of the red light for months now, I respect red lights and I don't run red lights ever. In my opinion I should not be responsible for this because it was not my fault and never my intention to run the red light. Thank you. Christopher Roden.

Under penalty of perjury, I hereby declare and affirm that the above-mentioned statement is to the best
