Dear Administrative Hearing Scheduler,

I am writing to respectfully request both (1) a rescheduling of my administrative hearing currently set for January 27, 2026, and (2) that a motion be heard in response to the alleged violation associated with Notice of Violation #5792500060824 (vehicle plate number VP5KY).

Request to Reschedule Hearing

Due to extraordinary family medical circumstances, I am unable to attend the hearing on the currently scheduled date. Our minor child is battling an aggressive form of brain cancer and has recently undergone her third major brain surgery. As part of her ongoing care, she must travel to Minneapolis to participate in a clinical trial, requiring us to be out of state every Monday, Tuesday, and Wednesday throughout the month of January.

Unfortunately, the January 27, 2026 hearing date conflicts with one of these required medical appointments. I respectfully request that the hearing be rescheduled to a date other than Monday, Tuesday, or Wednesday during January, or alternatively toward the end of February, when her treatment schedule is expected to transition from weekly to monthly, allowing me to attend.

Request for Motion to Be Heard / Grounds for Dismissal

I further respectfully request that a motion be heard regarding the alleged violation itself.

On the date of the alleged violation, I, Richard Anderson, a resident of Polk County (Lake Alfred, Florida), was traveling back to Lake Alfred from Wimauma, Florida. The vehicle involved was carrying a significant load consisting of two pallets of concrete pavers in the truck bed, with four adult passengers seated inside the vehicle.

As the vehicle approached the traffic signal, the light turned yellow. Due to the weight of the load being carried, I safely applied the brakes and brought the vehicle to a complete stop. The vehicle stopped with the rear axle wheels positioned at the second stop line past the bold STOP line. At no point did the vehicle proceed through the intersection or enter opposing traffic.

The video and imaging evidence supplied by your office clearly show that the brake lights were engaged and that the front of the truck dipped slightly due to the braking force applied, further demonstrating that a safe and deliberate stop was made. The cited infraction alleges failure to obey a traffic control device; however, the provided video evidence shows the vehicle making a safe and complete stop under the circumstances presented.

Given the significant load being transported, the safety of the passengers, and the fact that the vehicle did not enter the intersection or proceed against the signal, I respectfully request that the City of Bartow acknowledge these circumstances and dismiss the citation. Additionally, the three adult passengers present in the vehicle at the time are available and willing to provide witness testimony confirming that the vehicle made a safe stop and did not travel through the intersection.

Thank you for your time, understanding, and consideration of both this rescheduling request and the motion to be heard. Please advise if any additional documentation or information is required.

Respectfully,

Richard Anderson Jr.

Hi, I'm writing this because
I'm upset about this fine.

I find it unfair. I'm not from
this area I was traveling to Orlando
w/my daughter it was pouring rain
on 17 the whole drive, I was
behind a tractor trailer following him.
When I noticed the light had turned
red I was at a point I could not
stop or else I would skid. I know
it.. driving you make split decisions
~~that~~ at the moment for the best case
scenario. I could not see the light
change the truck was blocking it + the
rain was so heavy. I made a
safe choice there was no incoming cars at all
life is not always black/white you sometimes

Please can this be dismissed.

again I'm not from here
I live in Lee County, Fla.

tickets to people

Again weather sometimes plays
factors. Instead of penalizing
someone, be thankful no one was
injured. I know I could not safely
stop at that point.

SUBMISSION OF AFFIDAVIT: You may download an **Affidavit of Non-Responsibility** at www.ViolationInfo.com. As the registered owner of the vehicle, you are deemed responsible for the violation and the payment of a \$158.00 penalty unless, in compliance with Florida Statute § 316.0083(1)(d)1.a-d, you establish by a sworn affidavit that a statutory exemption applies. The exemptions are that the motor vehicle: (a) passed through the intersection in order to yield the right-of-way to an emergency vehicle or as part of a funeral procession; (b) passed through the intersection at the direction of a law enforcement officer; (c) was, at the time of the violation, in the care, custody, or control of another person; or (d) a Uniform Traffic Citation ("UTC") was issued by a law enforcement officer to the driver of the motor vehicle for the violation of Florida Statutes §§ 316.074(1) and 316.075(1)(c)1 stated in this Notice. The affidavit must be sworn before a notary public or other person authorized to administer oaths. If you assert that the vehicle was in the care, custody, or control of another person, you must provide the name, address, date of birth, and, if known, the driver's license number of the person who leased, rented, or otherwise had care, custody, or control of the vehicle at the time of the violation. If the vehicle was stolen, then the affidavit must include a copy of a police report showing the vehicle to have been stolen. If you assert that a UTC was issued by a law enforcement officer for the violation of Florida Statutes §§ 316.074(1) and 316.075(1)(c)1 stated in this Notice, then you must include the serial number of the UTC. For faster processing, you may, but are not required to, include a copy of the UTC.

If your affidavit complies with the requirements of Florida Statute § 316.0083, then no further action will be taken against you. The submission of a false affidavit is a misdemeanor of the second degree, punishable under Florida Statute § 775.082 or § 775.083 by a term of imprisonment not to exceed sixty (60) days and/or a fine not to exceed \$500.00. If submitting an affidavit, it must be postmarked on or before the due date specified on the front page of this Notice in order to be appropriately processed.

The affidavit should be mailed to City of Bartow, Traffic Safety Program, Customer Service Center,, PO Box 22091, Tempe, AZ 85285-2091.

Do not send payment or affidavit to the Clerk of the Court.

If you fail to respond as outlined above, postmarked by the due date, a Uniform Traffic Citation ("UTC") will be issued to you. Upon issuance of a UTC, you shall have the remedies specified in Florida Statutes §§ 316.0083 and 318.14, which include (a) the right to pay the civil penalty in the amount of \$264.00; (b) the right to submit an affidavit; or (c) the right to have a hearing before a designated official, who shall determine whether an infraction has been committed. If the official concludes that no infraction has been committed, the UTC will be dismissed, and no costs or penalties shall be imposed. If the official concludes an infraction has been committed, the official will uphold the UTC and may impose an additional civil penalty not to exceed \$500.00 and court fees and costs. Failure to pay, submit an affidavit, or request a hearing on the UTC could result in your driving privileges being suspended.
